## Make the Perfect Connection...

[www.hearcareers.org](http://www.hearcareers.org) is the year-round audiology employment and externship resource, offering employment services and resources for both the job seeker and the employer. Employers are able to post jobs and externships in real-time format, search the resume database, track online activity, and receive e-mail notifications of new prospects. HEARCareers is the perfect place for your job/externship posting to gain exposure with both active and passive job seekers.

- 598 audiology specific searchable resumes
- 53,800 average page views per month

## Job Posting Rates
